

WISDOM KWAWUVI

Kwawuviwisdom@gmail.com / wisdomkwawuvi23@gmail.com

PROFILE

A committed, goal driven and self-motivated BSc Automobile engineering graduate seeking to expand his knowledge in the engineering field. I bring with me a keenness to learn and a spirit of teamwork. My multi-cultural background sets me on an advantage to fit anywhere. I am dedicated to working hard and making positive contribution to the organization.

EDUCATION

Bachelor of Science, Automobile Engineering

Kwame Nkrumah University of Science and Technology

High School Diploma, West African Education Certificate Examination

Peki Senior High School

PROFESSIONAL WORK EXPERIENCE

Graduate Trainee (National Service in Ghana), Akwatia Technical Institute November 2022 – October, 2023

- Plan and design standard-based lessons in accordance with approved school curriculum for diverse groups of students
- Assess and evaluate 100+ students' coursework and progress in Trade Science and Calculation throughout a school term
- Assist other teachers to create engaging lessons and teach Vehicle and Engine Technology
- Mentor students and helped increase average final exam grades by 10% through lesson review sessions, open conversations and feedback strategies.

Intern at BENSAM Auto Services Limited October-December 2021

- Assisted with coordination of new equipment installation and implementation for optimal client satisfaction
- Analyzed, prepared and reviewed over 100 reports and studies to identify and recommend best engineering solutions for improvement on development processes
- Worked in a cross-functional team to troubleshoot over 10 malfunctioning equipment to resolve issues and prevent project stoppage.
- Worked in a team to evaluate vehicles and report to supervisor on whether they are road worthy or not.

Intern, Ho Technical University (Auto Workshop) June-September, 2019

- Collaborated with senior engineers to conduct performance testing and analysis to evaluate functionality of various type of both on road and off-road vehicles
- Conducted maintenance and repairing tasks of at least two vehicles a day

- Complied with government and safety policies and regulations

OTHER WORK EXPERIENCE

- Home tutor for the following subjects;
 - Core mathematic, Elective Mathematic, Physics, Chemistry, Social Studies, Integrated Science, English Language and Biology.

RELEVANT CERTIFICATION

Bachelor of Science in Automobile Engineering, KNUST March, 2023

Web Development Certificate, EDUVISION September, 2023

SKILLS AND INTERESTS

- **Computer skills:**
 - ✓ Proficient in Microsoft Office (Word, Excel, PowerPoint and Outlook), and G-Suite
 - ✓ Basic Website development and design skills
 - ✓ Beginner in Software Engineering (Full stack Development)
- **Other skills:**
 - ✓ Strategic Planning and Analysis
 - ✓ Client Relations
 - ✓ Quality Time Management
 - ✓ Outstanding Communication Skills
 - ✓ Good Project Managerial Skills.
- **Languages:** Fluent in English, Ewe and Twi
